Subject: Revised roads rationale
Attachments: Draft Rationale for Forest Roads_ah101014.docx

Teresa,

Attached is the next version of the roads rationale. I would appreciate your thoughts on this if you get a chance. Allison is reviewing it right now. After hearing her input (and getting your thoughts if possible), I will make changes then forward this on to our review team, the core CZARA team and the managers.

Have a great weekend.

Alan
